RE: Letter of Support for Wake County JARC Grant Request

DATE: May 26, 2005

Wake County Human Services requests that the CAMPO provide a written letter of support for our Job Access and Reverse Commute (JARC) grant. I believe that you are already in receipt of the relevant project description and supporting data. I have very much appreciated the technical support and working with the CAMPO staff to prepare this JARC grant request.

Please let me know if I can provide any additional information.
