

# Capital Area

## Transit Development Plan

The facilitated exercises will be divided into three topic areas (1) Overall Issues/Challenges, (2) Potential Solutions and (3) Implementation Strategies. Facilitators will use focus questions to ensure that the groups provide consistent input that is relevant to the meeting's desired goals and objectives.

### **Meeting Agenda (For Internal Discussion Only)**

#### **1:00 – 1:15 Introduction/Overview of Plan (Robert Bush)**

- Welcome
- Project Team Introductions
- Provide project background and schedule information and discuss how public input will be incorporated into the Capital Area and Regional Transit Plans (Triangle Transit).

#### **1:15 – 1:30 Meeting Goals and Objectives (Kevin Hall/Karen Campblin)**

- Participant Introduction

#### **1:30 – 2:15 Exercise 1 – Overall Issues/Challenges (Group)**

- What challenges do we face in Wake County related to bus transit?  
5 minutes – Internalize question  
20 minutes – Group discussion  
5 minutes – Jot down top 2  
“Housekeeping rule – Facilitators please instruct your group to take 5 minutes to write down your top two answers. One answer per card. Three to four words per card. Write big. Print Clearly”  
15 minutes – Facilitator Grouping Summary

#### **2:25– 3:10 Exercise 2 – Potential Solutions (Group)**

- What kind of improvements do we need to meet these challenges?  
5 minutes – Internalize question  
20 minutes – Group discussion  
5 minutes – Jot down top 2  
“Housekeeping rule – Facilitators please instruct your group to take 5 minutes to write down your top two answers. One answer per card. Three to four words per card. Write big. Print Clearly”  
15 minutes – Facilitator Grouping Summary

#### **3:10– 3:30 Exercise 3 – Implementation Strategies (Kevin Hall/Karen Campblin)**

- What strategies can we utilize to build community support and engagement?
- Given the current economic climate and at the same time increasing demands for enhanced transit, how should we pay for transit improvements?
